2. The S. E., S. C., has now forwarded to Govt. the pension papers of Shri S. S. Nadgir, retd. offg. Dy. Engr. after making the necy corrections as required by the A. G., Bombay in para 4 of his certificate and report. The A. G. may be requested u.o. to state whether the pension papers of Shri Nadgir are now in order p-47 c/s ↓ below p-45-c/s

3 The A.G. in para 3 of his certificate and report, has stated that the pension of Shri Nadgir is reported on the presumption that the authority competent to sanction the pension would admit the work-charged service of Shri Nadgir from 3-11-21 to 11-7-24. It may be stated that work-charged service is generally not allowed to count for pension. Moreover - - - - - p-45-c/s

1 c

Moreover, when calculating the duty period of Shri Nadgir counting for pension, the S.E., S.C. has excluded the work-charged service of Shri Nadgir of 2 yrs. - 8 m. - 9 days. It is, therefore, not understood why it is necessary for Govt. to admit the work-charged service of Shri Nadgir, which period of service has been totally excluded for the purposes of calculating the duty period and the pension of Shri Nadgir. The A.G. may be requested to clarify the position

× Slip 'A' of the p. b. being.

4. The duty period of Shri Nadgir counting for pension worked out by the S.E., S.C. comes to ϕ 21 yrs. - 5 m - 26 days. The A.G. in his certificate has stated that the duty period of Shri Nadgir has been duly proved for 21 yrs. - 10 m. + 28 days. The A.G. has taken 5 m. - 2 days more duty period into account. The A.G. may be requested to elucidate this and also to report the pension

Sub: Pension papers of Shri S.S.Nadgir, Retired Offg.Dy.Engineer, Bijapur Division.

Ref: Correspondence ending with your No.G-84/Bj.dt. 8th. Dec.'50 and subsequent reminders

2. I am forwarding herewith the following Pension papers of Shri S. S.Nadgir, retired officiating Dy.Engineer, of this Division for favour of scrutiny and transmission to Accountant General, Bombay.

(i) Application forpension with history of Service.
(ii) Statement of leave taken.
(iii) Calculation of pensionable pay.
(iv) 2 slips of finger impression.
(v) 2 slips of Specimen signature.
(vi) Declaration for gratuity or pension (a defined under B.C.S.R.198).
(vii) Service Book with leave Account.

3. From the history of Service it will be seen that the period of service from 3/11/1921 to 31/3/1924 rendered in late Dharwar Irrigation Division has been included therein on the strength of the Contemporary Certificates given by late Shriyut T.A.Andrew, Executive Engineer, Dharwar Irrigation Division and Shri M.S.Chakrayarty, present Executive Engineer, Nasik Irrigation Division and also one office Order of appointment No.G.10 of 3/11/1921 of the Executive Engineer Dharwar Irrigation Division (enclosed herewith). There is, therefor no objection to admit this Service which is work-charged Service and for want of records in the office of the Executive Engineer, Dharwar, Division, that officer has informed this office that it cannot be verified, under his No.G.84 of 6/9/50.

4. The calculation of pensionable pay has been worked out by adapting the officiating pay drawn by him or would have drawn by him as Dy.Engineer, it being greater than his substantive pay as cane be seen from the Service Book subject to our certificate to the effect that Shri S.S.Nadgir would have drawn the officiating pay as Dy.Engineer had henot been on leave during the last three years of Service to be recorded under Rule 9(41)(1) of the B.C.S.R.Vol.I. Besides the annual increment which would have fallen due on 5/6/50 as Dy.Engineer and would have been drawn by Shri Nadgir had henot proceeded on leave has also been taken into account for purposes of pensionable pay. The same may please be got verified, and sanctioned by Accountant General, if due.

5. There is also no noting of revised pay fixed as per A.G. Bombay's No.G II BSE/5032 of 29/11/49 (copy enclosedherewith). This will be noted in Service Book after it is verified by A. G.Bombay. Similarly the form II of fixation of pay as overseer under present scales of pay is not available in the records of this office as pay is fixed by the Executive Engineer, Water Resources,-Division Poona. This may please be obtained from that officer, if necessary.

6. After the Service is verified and admitted by Accountant General, Bombay the pension papers will be finalled up. Till the, a Provisional Pension may be granted to Shri Nadgir, Offg.Dy.Engineer who is pressing for the same. Necessary declaration under Rule 214 of the B.C.S.R. Vol.I is obtained and enclosed herewith.

7. Shri Nadgir has not yet exercised the option to elect or otherwise the new Pension Rules promulgated in G.R.F.D.No.8315/33 of 20/12/50.Shri Nadgir is being requested to communicate to you direct his intention in that respect.

8 Item No.10 and 11 of the application form may please be filled inbefore the papers are submitted to Accountant General,Bombay

A.G.'s Office, Bombay.

Returned with compliments to the Govt.: P.W.D., Bombay.

2. In view of the provisions of the G.R.P.W.D.No.6721/36 dated 19/3/45/23/1/48 read with sub para (ii) of the G.R., P.W.D. 3260/36 dated 6-6-45, 1/2 of the W.C. service and 3/4th of the temporary service counts in case of the P.W.D. personnel brought on the permanent establishment in accordance with the orders contained in the G.R.s issued by the Govt. from time to time. The Ex. Engr. Bijapur Division who had prepared the pension case of Shri Nadg has also stated in para 3 of his letter No. G-84 dated 17-2-51 that W.C. service of Shri Nadgir from 3-11-1921 to 31-3-24 has been taken into account on the basis of contemporary evidence (copy attached). Even the S.E.S.C., in his letter No.G34/B.J/ dated 1-3-52 (p.47 in the Govt. file) has requested Govt. to issue certificate admitting the w.c. service of Shri Nadgir for the above period. The circumstnces in which Govt. consider that the service rendered by the applicant on the work charged estt. does not count in the present case under consideration may kindly be stated.

3. Pensionable duty actually works out to 21 years 10months and 28 days as shown below. Since the S.E. has not shown the working of the pensionable duty, it is not possible to explain the difference in the period calculated by him as 21-8-26 instead of 21-10-28.

Resolution No.2293/48.
Bombay Castle (Dombay No.1),
7th May 1952.

Read Government Endorsement, No.2293/48-E(I), dated the 29th June 1950.

Certificate and Report of the Accountant General, Bombay, No.PR I/7428, dated the 16th February 1952, as under :-

Certified that (subject to the remarks recorded below) duty period of Shri S.S.Nadgir late officiating Deputy Engineer has been duly proved for 21 years 10 months and 28 days; and that a superannuation pension not exceeding Rs.125-4-0 Rupees one hundred twenty five and annas four only per mensem is admissible under rules 239, 252 and 282 (iii) Bombay Civil Services Rules. The calculations have been duly verified. The pension is debitable to Government of Bombay, after 1st April 1936 is voted and will commence from 27th June 1950. Attention is invited to Bombay Civil Services Rules 188 and 213 A.

2. Provisional pension of Rs.75/- per mensem with effect from 27th June 1950 has been granted to Shri Nadgir under Pension/Payment Order No.AR./11274, mention of which may please be made in the order sanctioning the pension.

3. Pension is reported on the presumption that the authority competent to sanction pension would admit the work-charged service of Shri Nadgir from 3rd November 1921 to 11th July 1924, which has been verified on the basis of contemporary certificates as required by note below rule 207(IV) Bombay Civil Services Rules (Vide please your letter No.G.84/Bj., dated 25th September 1951 paragraph (2) and that a certificate would be furnished to the effect that he would have continued to officiate as Deputy Engineer from 27th February 1950 to 26th June 1950, had he not been on leave for the period mentioned above.

4. Pension of Shri Nadgir works out to Rs.125/4/- and not to 125/6/- as worked out by you. The difference in the amount is due to the fact that increment in the officiating post, which was due to Shri Nadgir on 5th June 1950 has been taken into account while calculating his pension. Increment due within first six months of leave can be taken into account for pension only in case of substantive pay and not officiating as has been done in this case.

Pension papers and Service Book accompany for reference, corrections in light of the above remarks and early return through the Government of Bombay, Public Works Department along with their orders sanctioning the pension to enable this office to authorise payment to him.

Subject:- Pension Papers.

Sir,

I have to invite your reference to the Accountant General,Bombay's No.PEI/7428 dated 16-2-1952 forwarding to you my Pension Papers for further transmission to Govt. and request you kindly to let me know how the matter stands.

It has already been nearly two years since I retired from services and it is surprising to see that my pension has not yet been sanctioned. You will quite well realise how difficult it would be to carry on without any full pension so far. The provisional pension sanctioned to me happens to be too small and it is not therefore sufficient.

I therefore request you please to see that my pension papers are forwarded to Government at an early date so that my pension would be sanctioned early.
